Rotary Wins, Moves To Tie For 3rd Spot

Rotary beat the second place Lions Club 8-4 Wednesday in a replay of a Service Club game and moved into a tie for third place as a result of the win.

The fray was a rematch of a game originally scheduled Aug. 11, the last night of Service Club play. The victory gave Rotary an 8-6 record and upped them to a third place tie with the Walteria BMC in final standings.

The winners scored two runs in the third, fourth, fifth and seventh frames while the Lions tried desperately for a rally in the last inning but could plate only two tallies.

'Old Finback' Still Roams In Alondra Waters

Prizes valued at \$85 are still available to any boy or girl, 15 years and under, who can catch "Old Finback" in Alondra Park Lake, 3535 W. Redondo Beach Blvd., according to B. P. Gruendyke, Los Angeles County Superintendent of Parks and Recreation.

In addition, Gruendyke said, there remain 100 other tagged fish in Lake Alondra which will bring their youthful captors rewards of various kinds.

The tagged fish, placed in Lake Alondra by the State Division of Fish and Game, are those which eluded the young anglers at the "Huck Finn Day" observance last June 5, when some 3000 youngsters tried their luck.

State authorities are joining Gruendyke in asking boys and girls from throughout the county to join the quest for the remaining tagged fish, so the lake can be restocked for the "Huck Finn" contest in 1955.

Among the incentive awards to catch the remaining 100 tagged fish are: fish lines; passes to fishing barges, skating rinks, drive-in theatre; beach balls; boxes of candy; merchandise orders on sporting goods stores; and pet shops; and chains to hold catches of fish.

"Finback" Big Boy "Old Finback" weighed more than five pounds when planted in the lake last spring. He is the largest of many bass. Other tagged fish are blue gill, T.H.C. \$35 prizes waiting the child who hooks "Fishback" are a rod, reel, and tackle box.

No fishing license is necessary for children to toss a baited hook at Alondra. Successful anglers must take their tagged fish to the Recreation director.

Among the late prize winners are: Barry Schmidt, 5759 4th Ave.; Bob Den, 1954 W. 148th St.; James Cramer, 14717 Dublin St.; Dave Welch, 2623 Redondo Beach Blvd.; Don Riggs, 1500 S. Ramona St.; Mike Nielson, 2032 W. Compton Blvd.; Leonard Frazer, 15427 S. Van Ness; Roger Bodkin, 10018 Formosa; Tommy Barton, 2526 W. 155th St.; Gardena; Wayne Brickey, 15223 S. Van Ness; Gary Mead, 4846 Lennox Blvd.; Richard Beal, 17604 S. Catalina St.; and Neal Etherton, 4927 Lennox Blvd.

TARTAR DON KASTEN

Kasten Probable Starter in Fray

Torrance High School's Don Kasten has looked outstanding in pre-game drills with the All-CIF, Prep All-Star squad in San Diego and looms as a probable starter in the charity game Wednesday night, according to Bill Whitney of the sponsoring Breitbard Foundation.

This means that the Tartar blaster would start ahead of All-CIF stars Dean Philpott of Anaheim and Doug Dick of Redondo, the other fullbacks on the team.

Other stars in the lineup of backs include Ernie Zampese, All-CIF Player of the Year from Santa Barbara, and Hawthorne's Joe Costabile.

To Follow Dandoy Kasten will enroll at SC next season to follow in the footsteps of another former Tartar—Aramis Dandoy—who was "discovered" when he played in the San Diego classic in 1950 and was named "Player of the Game."

The big fullback was one of five Tartars to make the first string All-Bay League team this year.

In the San Diego game, he will be switched to a T-Formation from the Tartar single wing.

Two-Lighters Vs. Redondo

Opposing Teams Join Forces; Orioles Blow 3 Game Lead

Members of opposing squads in the Torrance Recreation High School Two-Light League will drop their enmity and join forces tomorrow in an attempt to vanquish a team of 16-year-olds from the city of Redondo in a game at Torrance Park at 4:30 p.m.

The inter-city fray is limited to 16-year-olds so Two-Light stars Tom Vanderpool, Manuel Olloque, Chuck Todd and Chuck Farrington are eliminated from play.

But the locals will still be able to use Ron Anderson, who has drawn the starting assignment on the mound and who will bat cleanup, slugging Bob Clifford from the Babe Ruth League, Toby Venable, Charlie Valencia, Sherwood Tiernan and other young diamond artists.

Orioles Lose Lead

In league play, Tiernan's Orioles blew a three game lead by dropping three games in three weeks to Anderson's Braves and a three-game playoff will be necessary to determine the winner.

One of the games was started Wednesday but was called because of darkness with the score tied at 2-2. This game will be replayed today at 4:15 p.m. followed by the second game of the series, according to Dick Leach, league director.

The third fray, if necessary, will be played Wednesday at 4:30 at Torrance Park. These final games will also decide the batting championship. At present, the race is a tossup, with Anderson, Venable, Marv Gallagher, Tiernan and Olloque all fighting for the coveted honor.

Tom Mills whitewashed the Orioles 8-0 Tuesday of last week and Anderson and Gene Crenshaw teamed to tame them 4-0 Monday in two of the Braves' steps toward the league tie.

The Tuesday game was a tight 1-0 pitchers' duel between Mills and Clifford until the Braves got two runs in the fifth then exploded for five in the sixth.

Mills contributed singles to both rallies, which were spurred by wildness on the part of Oriole Chuck Clifford.

Crenshaw held the Orioles to five hits and two runs in his six frame job and Anderson relieved him in the seventh, retiring the side in order. Roger Bohne raked two for three to lead the winners' stick work.

The Colton team was beaten for the 1954 Little League World Championship Friday by Schenectady, N. Y. 7-5. The Colton team, representing California, waded through all comers to get to the finals.

Their first major step was the capturing of the regional title from Venice Aug. 15 in Santa Monica. Venice defeated Torrance 7-5 in the sectional finals to win the right to enter the regionals.

So Torrance, in its first year in the playoffs, can consider its job well done.

Grand Slammer Goes to Nought

Mary Lou Sass smashed a grand slam home run, a triple and two doubles to bat in six runs for her Rookie mates, but the North Stars prevailed 10-9 in the final league game in Girls' Softball play Thursday.

Miss Sass doubled home Connie Ericson and Jan Desmond in the last inning and represented the tying run, but was thrown out trying to go to third.

The Rookies were trailing 10-3 when Miss Sass stepped to the dish in the fourth inning with three girls on base. She picked one of Star Hanger Janet Seese's offerings for the long ride and trotted around all four, herding three mates before her.

That made the score 10-7. It was Rookies' ninth loss against one win. Leading the Stars batting attack, which piled up 10 runs in the first four frames, were Merle Withner, with a double and two singles, Deanna Ball's two-baser, Miss Seese's singles and double and three singles by Judy Williams. Toni Martinez got the loss for the Rookies.

Safety 'Don'ts' Listed For Labor Day Week-end

With a three-day holiday coming up over the Labor Day week-end, Los Angeles municipal beaches are expecting to host near-record throngs of bathers and other recreation-seekers, the City Recreation and Park Department reports.

Desiring the horde of beachgoers to have Labor Day week-end fun in safety, the Recreation and Park Department suggested that serious consideration be given to the 14 "don'ts" formulated by Supervisor of Aquatics C. P. L. Nicholls.

"Parky," the cleanup-conscious cartoon kangaroo, got "into the act" by citing his slogan, "Help keep your parks, beaches, and roadways clean," and urged those visiting the municipal strands next week-end to place their picnic leavings and other trash in the yellow-painted receptacles which bear his likeness.

Following are Supervisor of

1. DON'T acquire a quick sun-tan.

2. DON'T bathe in remote places. Stay near a lifeguard for your own protection.

3. DON'T spoil your beach playground by throwing glass, tin cans, paper, or other refuse on it.

4. DON'T call for help unless you actually need it.

5. DON'T swim near riptides; lifeguards will tell you how to recognize these dangerous currents and how to combat them.

6. DON'T make long-distance swims unaccompanied by a strong swimmer or boat. Don't take dares!

7. DON'T swim near piers or pilings; they cause dangerous currents and have sharp cutting edges and surfaces.

8. DON'T expect the lifeguard to be your babysitter. A life may be endangered thereby.

9. DON'T swim too soon after eating.

10. DON'T drink at the beach; salt water and alcohol don't mix.

11. DON'T overestimate your swimming ability, especially at the beginning of the season!

12. DON'T go to the assistance of a lifeguard unless he calls for help; he can handle the situation and may have to help you!

13. DON'T dive in unknown waters; explore thoroughly before entering the surf.

And Number 14, DON'T use inflatable apparatus in the surf. You may be carried out to sea and be unable to return.

Three ocean-washed strands are under the jurisdiction of the Recreation and Park Department, including 1 1/2-mile-long Cabrillo Beach, San Pedro; 3-mile-long Will Rogers State Beach, north of Santa Monica; and 6-mile-long Venice-Dei Roy Beach

Doubleheader To Be Played In Real Style

Spacious Wrigley Field has been granted as the site of the Southern California Municipal Baseball Tournament finals Sunday, Sept. 5, it was revealed this week by Al Serguff, municipal sports director.

The championship game will follow the championship of the consolation bracket in a doubleheader to begin at 12 noon, Serguff said. Admission will be \$1.

Torrance continued its march toward the finals yesterday at Griffith Park in games which were played too late for the HERALD sports deadline. If they won yesterday's doubleheader, they enter the finals against the winner in the second bracket of the Tournament at Wrigley Field.

The winners and runners-up in both championship and consolation brackets will receive individual and team trophies and the championship team will receive the Lynwood Perpetual trophy.
